

Nebraska Antique Farming Association

DBA Tractor Relay Across Nebraska

2026

Dear Sponsor,

It has been 12 years since Nebraska Antique Farming Association (dba Tractor Relay Across Nebraska) decided to drive for a reason: Our Veterans.

After looking at various organizations, the American Legion program Operation Comfort Warriors (OCW) was chosen because 100% of the donations goes directly to our Veterans. No overhead costs, salaries, etc. are taken out of these funds. In 2023, we also decided we wanted to help our Veterans here in Nebraska so again we looked to the American Legion program Gifts for Yanks, run by the Axillary. This program provides a Christmas gift to each of the veterans and their spouse at the NE Veterans Homes and VA Medical Centers. Just like OCW, 100% of the donations go to our Nebraska Veterans.

The donations we receive as our antique tractors travel 5 days in June come from local American Legion posts and citizens we meet along the way. We are thankful they believe in our cause as we have raised over \$74,000 thus far. The donations received are divided 50/50 between the 2 programs. Our members are very generous in donating also.

These donations are presented to the Nebraska State American Legion Commanders/Axillary Convention in late June each year. If your address is provided, you will receive a thank you note from NAFA and a copy of the thank you note from the State Adjunct with pictures of the check presentation.

You can help as well by filling out the attached form and giving it and your donation to the NAFA member who choose to talk to you or by mailing it to our treasurer. (Address below)

Please make all checks payable to NE Antique Farming Association (or NAFA) and in the memo section put Veteran Donation.

No goods or services were exchanged in return for your contribution. Your donation is tax deductible to the extent allowed by law (EIN 90-1017997)

Thank you for helping our veterans,

Officers and Directors of NE Antique Farming Association

**Mail the attached form and your donation to:
NAFA Treasurer, Steven Fisher P.O. Box 94, Farnam, NE 69029**
